

Mugavari Team Leaders 2018-19

Memorable Moments

Teamwork, the way forward

*"Coming together is a Beginning; Keeping together is Progress;
Working together is Success." - Henry Ford*

Since 2002, exactly 330 students have benefitted from Mugavari in the past 16 years. The Objective of Mugavari Foundation is to motivate students' humanness through education. To add strength to this objective, and also to develop collective responsibility and leadership skills of our students, the following teams and schemes were formed.

Students Advisory Panel:

The high level committee consists of Mugavari students to take policy decisions regarding students and coordinate them to work together.

Vanavil Team:

It gives opportunity for an employed Mugavari student to donate 7% of his/her income for the benefit off the Mugavari students.

Admin Team:

The administrative works of Mugavari will be carried out by this team. It gives opportunity to students to enhance their leadership qualities, while they are still studying.

Sirpi Team:

This team identifies innate potential of our students through regular competitions, workshops and motivates them to improve their personality and social outlook

Medical Team:

Mugavari's medical students are the target group of this team. Their responsibility is to sensitize students towards humanity and develop their team spirit through several related activities.

Vidhai Team:

Here, we implant a feeling that Mugavari students are part of single large family. In order to strengthen this family bond, we encourage students to socialize with each other and stand for each other at all times.

Prudhiviraj Hearts Scheme:

This scheme is to commemorate Mr.A. Prudhiviraj, a former Mugavari student, who left us due to heart disease. He made significant contribution to the growth of our foundation. Mugavari students, Donors and Well-wishers can contribute financially to economically poor people who are undergoing treatment for heart diseases.
