

Mugavari Team Leaders 2017

Mugavari and Me

Teamwork, the way forward

From 19th March 2002 to till date, Mugavari has grown to 300 students and through the instrument of higher education Mugavari Foundation has been supporting these students. This is possible only with the support of over 240 sponsors, whom I would like to call as the Pillars of Mugavari. At this juncture, I would like to once again recall the memory of wonderful relationships with all the sponsors.

On 14th August 2016, we had created a Students Panel committee. The committee has a total of 43 members today and they function under seven teams with varying responsibilities – Students Advisory Panel, Vanavil, Sirpi, Vidhai, Admin, Medical and Prithiviraj Hearts Scheme.

I am proud of the teamwork thus far and I hope you would continue to work together as a collective Mugavari family. Beyond the growth of Mugavari Foundation, I sincerely believe that your experiences as Team Leaders and working together as a team would transform your personal lives as well.

“The experience of life should mature you. It is your choice to transform a memory into a wound or wisdom” – Sadhguru

The responsibility as team leaders would give your varied experiences and as sadhguru says, it is up to you to make the most of these experiences.

This booklet has the profiles of all the 43 Mugavari Team Leaders of 2017.

With Hope...

25th June 2017

Ramesh Anna
